Hello David and Jeanne!

I represent a coalition of local small hotels in the 100-150 room range. We would like to request a meeting with the Councilman to discuss their concerns about the recently proposed Living Wage Ordinance being applied to small hotels.

We understand this item could be at Council as early as next week. I know it's extremely short notice, but would the Councilman by any chance be available for a short meeting with the small hotel owners tomorrow any time after 2.30 or Monday any time after 12?

If not, is Jeanne available to meet with us during this timeframe? Thank you!
